

Huntingfield Parish Council

Emergency Plan

Contents:

- This plan has been specifically designed for the village of Huntingfield.
- In ALL cases of emergency, major or minor, call the emergency services(999).
- Do not assume that somebody has taken action, it is better that the initial response is duplicated than not given at all.
- The purpose of this plan is to provide a course of action to be taken by anybody involved in a major/minor emergency in Huntingfield that may put people, property or animals at risk.
- This plan will provide a list of local contacts and essential service numbers that will provide the appropriate assistance.

Action:

1. Determine the level of the emergency,

Major: The nature and extent of the emergency is such that the number and type of casualties/persons involved requires more than a normal level of response.

Minor: A more localised incident where normal procedures are likely to be adequate.

2. Contact appropriate emergency service via 999 and describe the level of the emergency.
3. Follow instructions given by the emergency service, supported by information included in this plan.
4. Take further appropriate action until the emergency services arrive.
5. If you require local assistance contact a member of the emergency committee (numbers provided below).
Should the need arise to evacuate people for a length of time the Village Hall will be utilised with assistance given by available volunteers from the emergency committee.
6. As Huntingfield is a small village with a fairly tight knit community, we don't require an elaborate emergency plan. It is not required by law but, when implemented, can prove to be of great assistance to the emergency services and locals alike.

In all circumstances the elderly, young and vulnerable take priority. By good neighbourly care and attention, with the help of those on the contact list who can coordinate assistance, most situations can be dealt with.

This list of contacts has been compiled from people who are involved with Huntingfield Parish Council and volunteers having certain skills and equipment. They are also situated to cover all areas of Huntingfield.

The Defibrillator is located at the rear of the Huntingfield Arms pub and has easy access. Enter the car park and it is located on the left wall as you enter.

Cllr David Blackmore	07540 484717	Giffords
Cllr Edward Watson	07710 349111 01986 798859	Flettons
